

Parent/Guardian Commitment Agreement and Photo/Video Usage Waiver

We are excited to enroll your student in the EAC's leadership program and extracurricular activities. We strive to build faith, fun, character, and confidence, leading to stronger school, home, and life success. A student's success in the EAC programs requires parent/guardian engagement and accountability

I agree to ensure my son/daughter will meet following requirements:

- Class attendance - perfect attendance is preferred
- Punctuality - students are encouraged to arrive 10 minutes early
- Participation in Character Building Curriculum
- Participate in presentations, projects, and ceremonies
- Adhere to Code of Conduct, demonstrating teamwork, leadership and positive attitude
- Adhere to safety guidelines
- Report concerns immediately to Director

Each class is one and a half hours long. Every student will participate in a 30 minute servant leadership course that will build their character, confidence, and faith. After this course, students will go on to their designated class for the next hour. Every student is to be checked in and out for classes, this is necessary to ensure student safety as well as track students attendance success. Students are allowed to self check in if the parent agrees to self check in during registration. Arriving 10 minutes early promotes responsibility. Punctuality and attendance records will be tracked for each student. If a student is not going to be in attendance in a scheduled class, a parent/guardian is asked to call in the absence at (762) 248-1096 no later than 4:00 PM.

I understand the activities and risks involved in these classes. I hold harmless The Experiential Arts Center with FOCUS Ministries, all employees and representatives from all liability, suits and claims arising from participation in or observation of any EAC activities or events. The EAC is not responsible for any lost stolen or damaged property. I also recognize The EAC is not responsible for students when they are outside the center.

I further grant consent for the right to photograph and/or videotape any student attending the Experiential Arts Center Programs and further to display, use and/or in media or advertising.

I have read the student/parent expectations and will be engaged with my student, to the best of my abilities.
